BAUE EIN NINJAGO TRAININGSZENTRUM!

SEITE 1

Jeder Ninja braucht ein Trainingszentrum! Dort können sie trainieren und neue Tricks lernen. Sensei Wu baut öfter mal Fallen in sein Trainingszentrum ein. Dadurch lernen die Ninjas immer wachsam zu sein.

In diesem kleinen Trainingszentrum können nur ein bis zwei Ninjas trainieren. Aber da es so klein ist, kann es auch gut vor Feinden versteckt werden.

Du kannst dieses Modell mit Steinen aus dem Set Spinjitzu Trainingszentrum (2504) von LEGO Ninjago bauen.
